

March 6, 2014

CASE Ukraine is a non-government and non-profit research organization based in Kyiv, which specializes in economic and policy studies, macroeconomic analysis and forecasting. The mission of CASE Ukraine is to provide objective high-quality research and to assist the implementation of comprehensive economic reforms for sustainable development and welfare growth. CASE Ukraine experts took part in the formulation of economic reforms in the areas of fiscal and monetary policy, social assistance, international trade and European integration.

CASE Ukraine is a part of CASE network that includes analytical centers in Poland, Kyrgyzstan, Moldova, Georgia, Belarus and Russia.

CASE Ukraine provides analytical and expert support to government and parliamentary institutions. Among our partners are the Ministry of Economy, the Ministry of Finance, State Property Fund, State Tax Administration, the National Bank of Ukraine and many others. We also closely cooperate on different projects with international organizations such as the World Bank, United Nations Development Program (UNDP), United States Agency for International Development (USAID) and World Economic Forum.
