Presidential Election Outlook

A Battle for Restricted Power

Will We See a New Face?

Yanukovich Wins, Tymoshenko Remains?

Tymoshenko: Autocracy at Stake

Another scenario: Preemptive Annihilation

The former and current prime ministers are the frontrunners in the runup to the January 17th presidential elections: ex PM Viktor Yanukovich, leader in the Party of Regions (PR), and current PM Yulia Tymoshenko, who leads the political block named after her (BYuT). But even at this late date, there's still room for a newcomer. Regardless of who captures the presidency, these elections are very unlikely to end the political confrontation, impose a structure on the elite, or bring law and order[>>>](#).
