

Understanding Zelenskiy

Recent polls tell Zelenskiy will beat Poroshenko in second round with impressive gap. Only some miracle can save incumbent from defeat. It looks like comedian actor Volodymyr Zelenskiy will be the 6th president of Ukraine.

We are not ready for this sur-reality. But the future is coming on...

We have an obvious "black swan", and we decided to invest more time in building better sense of what kind a person Zelenskiy is. We do not have any impressive insight and draw all the info from open sources.

The picture is quite mixed. >>>
